

Haku proudly serves traditional fruit tea and tapioca pearl drinks made with only natural ingredients, including, premium cane sugar, fresh fruit slices as well as dairy and soy milk. We hand braise fruit jams with our secret recipe, which was handed down our from founder's grandmother. No artificial flavours are ever added to our drinks. We prepare everything in front of our customers, who can adjust the drinks with their own desired levels of ice and sweetness.

HAKU

ABOUT US

We are a Elk Grove, CA based boba tea bar and lounge. We use Organic, Herbal and Vegan Friendly ingredients from all over the world. Our signature drinks are hand crafted using only organic herbs, flowers, fruits, and spices. We also serve premium teas paired with some of fresh-est fruit purees or delicious jellies.
